

The Department of Psychology is organising a series of online webinars to promote positive mental health. In line with this, webinars have been scheduled in the month of December.

1. Impact of adverse Childhood Experiences on Mental Health by Professor Indranee Phookan Borooah – December 04, 2020 at 02:30pm
2. Enhancing Mental Health by Professor Manju Aggarwal – December 10, 2020 at 03:30pm

The notice and online link for the webinars are available on the online notice board of the department.

All are invited to attend the same.

Professor Seema Vinayak

(Incharge Mental Health , National Flagship Programme )
